ORDER

Adopted: August 16, 2002

Released: August 19, 2002

By the Chief, Satellite Division:

1. TRW Inc. and Aeronautical Radio Inc. ("ARINC") have formally notified the Commission that they are withdrawing their respective petitions for reconsideration of the Memorandum Opinion and Order released on February 15, 1996 in this proceeding ("*Big LEO Reconsideration Order*")¹ because the Commission's recent adoption of out-of-band emission limits for mobile earth stations in IB Docket No. 99-67² has essentially mooted the issues raised in those petitions.³ L/Q Licensee, Inc. has likewise informed the Commission that it is withdrawing its petition for clarification⁴ of the *Big LEO Reconsideration Order* for the same reason.⁵

2. Accordingly, IT IS ORDERED that this proceeding IS TERMINATED.
